How are you using OAA?

Pick one to set up your space. We'll use this to tailor everything that comes next.

TRACK A

I'm a student.

I want to talk to alumni who've done the role I'm aiming for.

- Get matched with 3 alumni weekly
- AI-drafted opening messages
- Track every conversation

Continue as student →

TRACK B

I'm an alumnus.

I want to help students on my terms — without LinkedIn chaos.

- Declare what you'll offer
- Pre-filtered, in-scope asks only
- Build your private talent radar

Continue as alumnus →

Both? Pick the one you'll use first — you can add the other later.

Hi Maya — appreciate you reaching out. Career-pivot conversations are something I can do, but a 15-min framing on positioning won't give you the depth you're after. I'd lean toward a portfolio walkthrough or technical interview prep if either of those would help. Worth re-asking with that scope?
